All:

You have been identified as someone that will have some type of roll in regards to the Ring Neighborhood portal. This is a conference call with our account rep from Ring, not the actual onboarding.

Per Ring we will cover the following:

“The purpose of this meeting is so you understand how Portal works, we can discuss best practices and SOPs, and you can start to build out your processes for how NPD will use Portal. Should you invite dispatch to attend the training? Who will have the ability to post Alerts? These are the types of questions we'll need to sort out before the full onboarding training.”

Let me know if you have any questions.

Thanks,

Jason

CAUTION: This e-mail originated outside of the City of Naperville (@naperville.il.us).

DO NOT click links or open attachments unless you confirm the incoming address of the sender and know the content is safe.

Requesting videos from Ring device owners can provide many leads, but you can always use more to close a case. Extend your investigation to non-Ring device owners in the area by **creating a Post** on the Neighbors Portal after

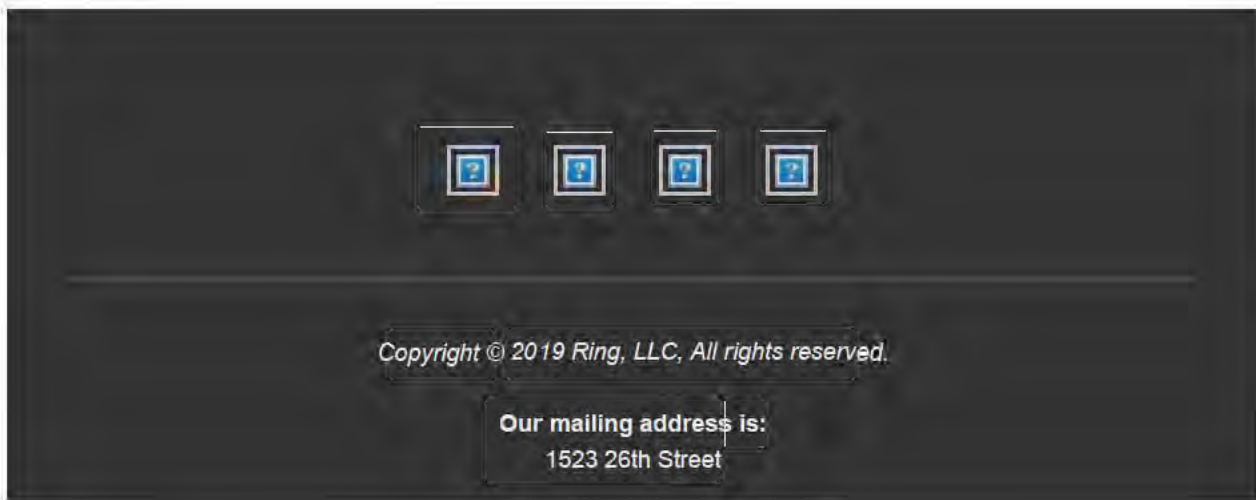

submitting a Video Request.

Soliciting information from all neighbors in the area of interest increases your chances of receiving actionable evidence to help solve more cases with one click.

Best Practices

1. When submitting a Video Request, also **create a Post** to extend your reach
2. In your Post, ask neighbors to **share videos** from any kind of security camera or smart device
3. Provide your **contact information** so neighbors can reach out directly

Requesting videos from Ring device owners can provide many leads, but you can always use more to close a case. Extend your investigation to non-Ring device owners in the area by **creating a Post** on the Neighbors Portal after

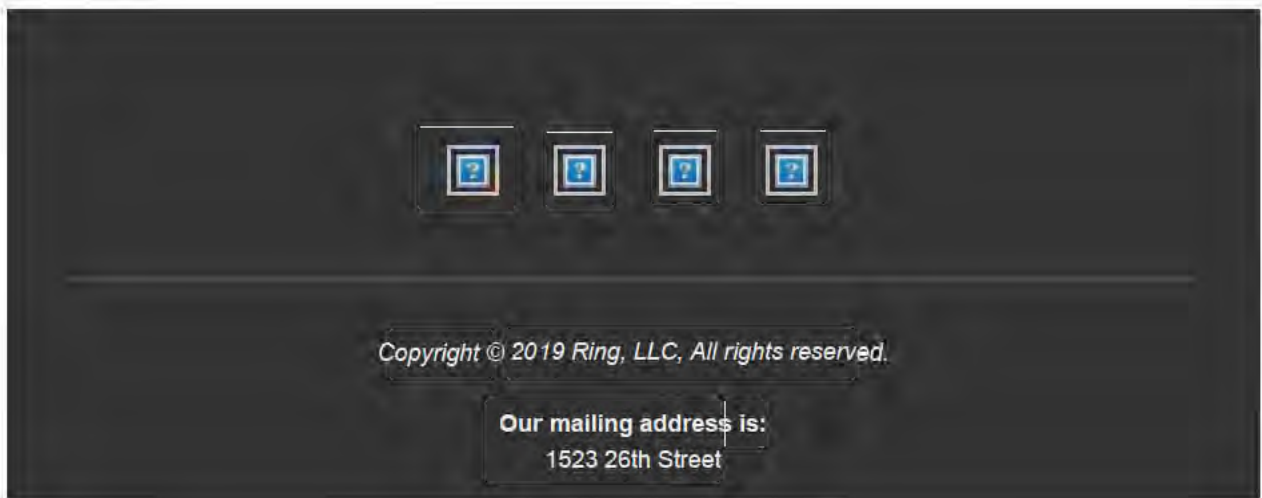

submitting a Video Request.

Soliciting information from all neighbors in the area of interest increases your chances of receiving actionable evidence to help solve more cases with one click.

Best Practices

1. When submitting a Video Request, also **create a Post** to extend your reach
2. In your Post, ask neighbors to **share videos** from any kind of security camera or smart device
3. Provide your **contact information** so neighbors can reach out directly

Good afternoon,

Hope all's well! Thank you again for assembling the Naperville PD team for our onboarding. Kyle and I are looking forward to making Portal and our partnership as valuable as possible for the Naperville community.

With that in mind, Kyle found the following article regarding a burglary prevention event in Naperville:

[NAPERVILLE POLICE ENCOURAGE RESIDENTS TO ATTEND BURGLARY PREVENTION FORUMS SET FOR MARCH 26](#)

We would love to assist in any way we can. Here are our initial thoughts:

- Please feel free to use the attached PDFs to print some handouts for the event. Kelley: we added a note at the bottom saying the Neighbors app does not require a Ring device. I've also attached a social media asset for a post.
- Please reach out to Morgan Culbertson (cc'd) in case you have any media or press inquiries following the event.
- Please reference the Key Talking Points document in the dropbox link we sent over if you have an opportunity to talk about the Neighbors app at the event.
- If you're doing a camera giveaway at the event, you could take a picture of the winner and make a social media post. Include your Neighbors download link and text to download code to encourage the community to download Neighbors.

Please reach out to me, Kyle and Morgan with any questions.

Have a great weekend!

Hi Robert ,

A crime was just reported in your neighborhood.

A Killing in Naperville

Naperville police said they had a "person of interest" in custody after a 54-year-old man was found dead of an apparent knife wound. Police responded to a call of a disturbance on the 700 block of Inland Circle on the city's northwest side about 8:45 p.m. Tuesday on October 1st. Officers found the man, who has not yet been identified, dead from what they said was not a random act. Police said the public is not in danger.

Hi Jason,

Good timing, as I just heard back from legal yesterday. See below/attached for their response. The only thing outstanding is that we have not yet worked out an internal process for providing notifications of updates--we are meeting on Wednesday on this so I'll keep you posted on that.

Greetings,

Thank you both for your help with coordinating the Neighbors onboarding session today.

Invitations to join Portal went out to the user list provided, however Ring will not activate your Portal until the in-app alert goes out. My team is standing by for when you're ready.

Kelley, we will re-send an email to you and Morgan that includes the announcement materials. Please ask Morgan for any suggestions or assistance with developing your announcement. Don't forget to include your custom link and text to download code!

[Here is a link to the Olathe PD Facebook contest](#). Something similar (perhaps in a few weeks or so) could be a great way to post a popular Facebook post, drive Neighbors downloads and generate donation devices for the community.

Attached as some PDFs of your postcards/flyers that feature the Naperville PD logo. There is also a social media asset that you can share.

As answers to your and your team's questions from today come in we will share them with you.

Lastly, we will send the below information to the user list so they can reference some information to refresh their knowledge of Portal. I will add a note that their accounts are meant to explore Portal, but they should not comment, post or submit video request until they have the green light from their supervisors.

Please reach out with any questions and thank you again!

Best,

Sami & Kyle

Below is a guide to get started which includes directions on creating your account, key takeaways from today's training, and your unique department link and promo code for special law enforcement offers.

Creating an Account

**Please access the Neighbors Portal using Firefox or Chrome. Internet Explorer is not compatible.*

1. Check your inbox for an email from Ring Team
2. Click the **Join Portal** button
3. Follow the prompts to create your account
4. Bookmark <https://nw.ring.com/> for quick, easy access to Neighbors Portal

Key Takeaways

1. **Engage on Portal.** The more your community sees your involvement, the more effective Portal features become when interacting with them.
2. **Join an Alert Zone.** Let us deliver the most important crime related posts directly to your inbox. Joining an Alert Zone is easy:
 1. Sign in → click on the blue profile icon in the upper right corner → **My Profile**
 2. Click **Select Alert Zone**
 3. Choose an **Alert Zone**
3. **Anyone Can Use Neighbors.** Neighbors is a free app that anyone can download and use. Portal grows in value with each resident that downloads the Neighbors App.

*For Ring's law enforcement guidelines, please click [here](#).

Special Offers for Law Enforcement

1. Download the FREE Neighbors App by texting **napervillepd** to **555888** or by visiting <https://download.ring.com/naperville>

2. Get **\$50 off** of eligible Ring Video Doorbells, Security Cams, and our Ring Alarm when you shop at Ring.com. Use discount code: **NBNAPERVILLE** and be sure to check out using your department email address (example@naperville.il.us)

*Discount does not apply towards accessories and/or already discounted devices, including but not limited to Ring Video Doorbell Classic

Lastly if you have a free moment, please click [here](#) to take a quick 2 minute survey on today's training. If you have any questions or need support at all, feel free to contact me any time at sami@ring.com or 510.295.9831. It was a pleasure meeting your team and I hope to connect again soon!

Best,

Sami

Chief Marshall,

I see you rsvped for our event on the October 7th and we look forward to meeting you. I wanted to get in touch prior to introduce myself. I handle city partnerships for Ring and I wanted to discuss our subsidy program with you. Please see details on our partnership below and let me know if you would be interesting in discussing. Thank you.

Ring wants to help reduce crime in the City of Naperville!

Ring is excited to propose a solution to the City of Naperville to help prevent residential burglaries and assist in the investigation of crimes in your community.

Overview

In an effort to reduce local crime and make our neighborhoods safer, Ring has successfully partnered with cities nationwide to implement a home security subsidy program. The subsidy program allows residents to purchase Ring devices at a discounted price, so we can make smart home security accessible to everyone.

About Ring

Ring is on a mission to reduce crime in neighborhoods. With a Ring Video Doorbell at your door and Security Cameras around the home, you can create a Ring of Security around your entire property and stop crime in its tracks.

Ring Video Doorbells and Security Cameras send you instant alerts on your phone, tablet and PC whenever motion is detected. Answer the alert, and you can see, hear and speak to people on your property from anywhere. If you catch something suspicious, Ring also lets you share the videos with neighbors and local law enforcement, so you can all work together to reduce local crime.

Program Details

Ring will give residents \$50 off any Ring Video Doorbell or Security Camera, and the city will match that offer with a \$50 subsidy. Together, we can offer a \$100 discount on Ring products to help residents protect their homes and reduce crime in their neighborhoods.

The subsidy can take place at an in-person event or an online code redemption system. A combo of both can also be done. We will work with the city to structure a partnership that works for the individual needs.

Ring recently partnered with the 16 cities in California to help residents prevent package thefts and home burglary attempts. For example a \$25,000 allocation was granted by Arcadia, allowing 500 residents to protect their homes with smart security. In return, the city has seen a reduction in residential burglaries. In late 2018 Arcadia will invest another \$25,000 in the program in their mission to reduce crime in Arcadia.

Ring allows residents to work together with neighbors and local law enforcement to reduce crime in

neighborhoods, so we can help make our communities safer for all.

Chief Arres, Great news! The MOU agreement is fully signed. Attached are the documents for your records.

I've copied your new Account Manager, Sami. We would like to set up a call for us to all connect. We should ensure all the key stakeholders are included so everyone can get on the same page.

The folks we ask to be included on this call would be:

1. Partnership POC - main point of contact(s) for the Ring partnership
2. Press POC - typically the PIO who would work with Morgan (PR Coordinator) from our team to coordinate announcements.
3. Social Media POC - person(s) in the department who manages comments on Facebook, Twitter, NextDoor, etc (if different from #2)
4. Investigative POC - generally a detective who will be your resident expert when the department wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of video.
5. Community Relations POC - person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.

It would be ideal to have all these individuals on the call, but essential to have them present at the actual onboarding. Again, involvement by each of these groups is essential for active community participation (specifically on video requests) and the overall long-term success of the partnership.

Best,
Phillip Dienstag

Subject: Making Neighborhoods Safer, Together
Date: Thursday, October 10, 2019 6:30:35 PM

CAUTION: This e-mail originated outside of the City of Naperville (@naperville.il.us).

Dear Neighbor,

At Ring, our mission is to make neighborhoods safer. It's our belief that when communities work together, safer neighborhoods become a reality, which is why we created the Neighbors app.

The foundation of Neighbors is that as a customer, you are in control of your security, devices and personal information, and that your privacy is our priority. It's that simple.

The Neighbors Portal is an extension of the Neighbors app that allows local law enforcement

to engage with our customers. We want to share details about how we've designed the Neighbors Portal:

- No access to devices.
Law enforcement are never given access to users cameras or devices through the Neighbors Portal or by Ring.
- No direct access to users when making video requests.
Your local law enforcement agency can use Neighbors to request assistance in an investigation. To protect your privacy and your ability to decline the request, law enforcement must go through the Neighbors Portal when making a request. You have 100% control – if you choose not to share, or you [opt out of future requests](#), your local law enforcement will never know as you'll remain totally anonymous.
- No user account information.
Users are identified in the Neighbors Portal only as "Neighbor #". Although law enforcement knows the users posting content reside within their jurisdiction, law enforcement cannot see or access user account information.

- No device location.

The Neighbors Portal does not provide law enforcement with the addresses at which any devices are located.

Here's an example of what happens when residents and law enforcement come together:

Dear Neighbor,

At Ring, our mission is to make neighborhoods safer. It's our belief that when communities work together, safer neighborhoods become a reality, which is why we created the Neighbors app.

The foundation of Neighbors is that as a customer, you are in control of your security, devices and personal information, and that your privacy is our priority. It's that simple.

The Neighbors Portal is an extension of the Neighbors app that allows local law enforcement

to engage with our customers. We want to share details about how we've designed the Neighbors Portal:

- No access to devices.
Law enforcement are never given access to users cameras or devices through the Neighbors Portal or by Ring.
- No direct access to users when making video requests.
Your local law enforcement agency can use Neighbors to request assistance in an investigation. To protect your privacy and your ability to decline the request, law enforcement must go through the Neighbors Portal when making a request. You have 100% control – if you choose not to share, or you [opt out of future requests](#), your local law enforcement will never know as you'll remain totally anonymous.
- No user account information.
Users are identified in the Neighbors Portal only as "Neighbor #". Although law enforcement knows the users posting content reside within their jurisdiction, law enforcement cannot see or access user account information.

- No device location.

The Neighbors Portal does not provide law enforcement with the addresses at which any devices are located.

Here's an example of what happens when residents and law enforcement come together:

Good evening,

In anticipation of the onboarding, allow me to provide you with our press packet of materials so we can start coordinating the initial announcement. The press packet can be viewed and downloaded in the dropbox found [here](#) and contains the following materials;

- **Press Release Template:** Ready for you to review and customize with a quote, suggested edits to content and to incorporate into official Department release format. **Be sure to share your edits with Morgan for a quick review prior to distribution.**
- **Sample Social Media Posts & In-App Alert:** Sample content to share across your existing social media platforms in tandem with the press release and In-App alert pushed by Ring to all local Neighbors app users.
- **Talking Points & Reactive Q&A:** Internal docs to prepare Dept. spokespeople to speak about the Neighbors app and our partnership with confidence and respond to commonly asked questions we have come to expect from the press and public.
- **Neighbors App Logo & Imagery:** High-res versions of the Neighbors app logo and other contextual images approved for use in press releases, social media posts and other public communications moving forward.
- **Unique Neighbors App Download Link:**
<https://download.ring.com/naperville> **Simple Text Info:** Or, simply text napervillepd to '555888' from your smartphone.

As a matter of practice, your portal features will be active and the In-App alert will go out to Neighbors app users and Ring device owners in your jurisdiction on the same day upon completion of your in-person onboarding.

That being said, we want to make sure you have an announcement date set with us and are prepared to announce via press release and posts on social media and the In-App alert within a day or so of the actual onboarding date or early the morning of.

Let us know when you have a target date in mind for rolling out the announcement and feel free to reach out with any questions in the meantime!

Best,

Sami

Good evening,

Thank you again for assembling your team for the POC call. Here are next steps for the onboarding process.

1. Attendee Recap

Please provide the names, roles and email addresses of the NPD attendees from the webinar. I'll provision demo accounts for everyone so they can familiarize themselves with Portal. Please refrain from commenting, posting or submitting video requests until your onboarding.

2. Onboarding Date

Wed, March 13th. That would include two sessions, 9AM-10:30 AM and likely 11AM-12:30PM. The morning session is for social media/community engagement and afternoon session for investigations/crime analysts. Please let me know which dates work for your team and we can select one together.

3. Portal Requirements

a) Account Provisioning - Attached is an Excel doc outlining what's needed to provision your initial batch of users after your onboarding in March. Anyone who will comment, post or submit video requests in the first rollout of Portal at NPD should be on this list. Please add everyone that would potentially need an account and send it back so we can set up their accounts. Let me know if you have any questions on this!

b) Browser Compatibility - Portal is compatible with Chrome or Firefox. Please refrain from using Internet Explorer.

4. Training Materials

Attached are Training Materials that you can distribute to the POCs from today's call. These should help provide further guidance on Portal and help develop your rollout of the tool at

IPD.

5. Beats Map

Please send me a copy of your Beats Map so we can update your Portal accordingly. A PDF or Jpeg of your beats is fine. This will allow me to create Alert Zones, which are smaller areas of your jurisdiction that Norman PD users can select and receive updates on Crime from that specific beat.

6. Announcement

Commander Son and Kelley, both myself and Ring's PR Coordinator Morgan Culbertson will be following up in a separate email to you with some additional items/asks that are specific to you.

Otherwise, thank you again for your time earlier and let me know if I forgot anything!

Best,

Below is a guide to get started which includes directions on creating your account, key takeaways from today's training, and your unique department link and promo code for special law enforcement offers.

[Creating an Account](#)

**Please access the Neighbors Portal using Firefox or Chrome. Internet Explorer is not compatible.*

1. Check your inbox for an email from Ring Team
2. Click the **Join Portal** button
3. Follow the prompts to create your account
4. Bookmark <https://nw.ring.com/> for quick, easy access to Neighbors Portal

Key Takeaways

1. **Engage on Portal.** The more your community sees your involvement, the more effective Portal features become when interacting with them.
2. **Join an Alert Zone.** Let us deliver the most important crime related posts directly to your inbox. Joining an Alert Zone is easy:
 1. Sign in → click on the blue profile icon in the upper right corner → **My Profile**
 2. Click **Select Alert Zone**
 3. Choose an **Alert Zone**
3. **Anyone Can Use Neighbors.** Neighbors is a free app that anyone can download and use. Portal grows in value with each resident that downloads the Neighbors App.

*For Ring's law enforcement guidelines, please click [here](#).

Special Offers for Law Enforcement

1. Download the FREE Neighbors App by texting **napervillepd** to **555888** or by visiting <https://download.ring.com/naperville>
2. Get **\$50 off** of eligible Ring Video Doorbells, Security Cams, and our Ring Alarm when you shop at Ring.com. Use discount code: **NBNAPERVILLE** and be sure to check out using your department email address (example@naperville.il.us)

*Discount does not apply towards accessories and/or already discounted devices, including but not limited to Ring Video Doorbell Classic

Lastly if you have a free moment, please click [here](#) to take a quick 2 minute survey on today's training. If you have any questions or need support at all, feel free to contact me any time at sami@ring.com or 510.295.9831. It was a pleasure meeting your team and I hope to connect again soon!

Best,

Sami

Lastly, we will send the below information to the user list so they can reference some information to refresh their knowledge of Portal. I will add a note that their accounts are meant to explore Portal, but they should not comment, post or submit video request until they have the green light from their supervisors.

Please reach out with any questions and thank you again!

Best,

Sami & Kyle

Below is a guide to get started which includes directions on creating your account, key takeaways from today's training, and your unique department link and promo code for special law enforcement offers.

[Creating an Account](#)

**Please access the Neighbors Portal using Firefox or Chrome. Internet Explorer is not compatible.*

1. Check your inbox for an email from Ring Team
2. Click the **Join Portal** button
3. Follow the prompts to create your account
4. Bookmark <https://nw.ring.com/> for quick, easy access to Neighbors Portal

Key Takeaways

1. **Engage on Portal.** The more your community sees your involvement, the more effective Portal features become when interacting with them.
2. **Join an Alert Zone.** Let us deliver the most important crime related posts directly to your inbox. Joining an Alert Zone is easy:
 1. Sign in → click on the blue profile icon in the upper right corner → **My Profile**
 2. Click **Select Alert Zone**
 3. Choose an **Alert Zone**
3. **Anyone Can Use Neighbors.** Neighbors is a free app that anyone can download and use. Portal grows in value with each resident that downloads the Neighbors App.

*For Ring's law enforcement guidelines, please click [here](#).

Special Offers for Law Enforcement

1. Download the FREE Neighbors App by texting **napervillepd** to **555888** or by visiting <https://download.ring.com/naperville>
2. Get **\$50 off** of eligible Ring Video Doorbells, Security Cams, and our Ring Alarm when you shop at Ring.com. Use discount code: **NBNAPERVILLE** and be sure to check out using your department email address (example@naperville.il.us)

*Discount does not apply towards accessories and/or already discounted devices, including but not limited to Ring Video Doorbell Classic

Lastly if you have a free moment, please click [here](#) to take a quick 2 minute survey on today's training. If you have any questions or need support at all, feel free to contact me any time at sami@ring.com or 510.295.9831. It was a pleasure meeting your team and I hope to connect again soon!

Best,

Sami

Dear Neighbor,

Det. Conner Lain of the **Naperville Police Department** is investigating an incident that occurred near your home and your Ring device may have captured video that can help. **Det. Lain** of the **Naperville Police Department** is seeking videos recorded between: **March 27th from 3:00 PM to 4:30 PM**

A message from **Det. Lain**:

We are seeking any video footage of suspicious people or vehicles seen in the neighborhood on 03/27/2019. This will assist in the investigation of a recent residential burglary incident in the area. If you have any questions please contact me at 630-420-6736 or lainc@naperville.il.us.

We want to make you aware that the Video Request feature is down for a bit of maintenance. We expect to have the Video Request feature back up and running by the middle of next week, at which point we'll update you via email.

We appreciate your understanding and hope you have a good weekend.

Stay Safe,

The Ring Neighborhood Portal Team
